

THOMAS WIEHE

Thomas Wiehe has been a full time musician since 1975. He has a varying musical past.

- * performed at public concerts with song programs of his own
- * performed at all kinds of stages and institutions
- * regularly participated in and co produced radio- and TV-programs
- * composed and presented music in several children's theatre plays
- * released 10 LP- and cd-records

Thomas songs are about:

- * Nature, in a wide sense. Here are songs about the beauty of Nature - and about pollution, about mans innermost essence - and about atom bombs.
- * Love between man and woman; new aspects on this good old topic
- * Freedom and hope; songs from near and from far away
- * The soul. Some songs are about mans spiritual side, our higher goal and eternal longing, always with a warm and humorous twinkle
- * Sometimes there can be instrumental guitar pieces

Music program: 1 Mixed song programs, 2 A wonderful meeting (about mystics from near and far away), 3 If the Earth could decide (about the environment, together with Peter Elmberg), 4 Virgin Mary in medieval folklore (together with Pernilla Södergren)

Lectures: Tibet yesterday, today and tomorrow

Recent CD: Greetings from the grass, Moccers (The Wiehe brothers - from the sixties), Songs for Tibet (collection CD with Sweden's most famous artists), A day in the mountains - instrumental guitar cd

Recent children's theatre productions: Enter Gastock, Knock Knock!, Abra kadabra
