

# He who has seen

Thomas Wiehe © 1982

LP "Flow Soma", Silence Records 1982, SRS 4672

1 He who has seen – even if only a glimpse  
He who has seen – even if only a glimpse  
Of the angelic light – he will be so fulfilled  
And his heart is satisfied, so fulfilled

He will not fear any pain  
No desire remains  
He is free, he is free

B The worldly life is full of joy  
The worldly life is full of fright  
The worldly life is full of toys  
The worldly life is full of strife

2 He who has seen – even if only a glimpse  
He who has seen – even if only a glimpse  
Of the angelic light – his heart is filled with bliss  
He who has seen
