

Where there is joy

Thomas Wiehe © 1982

LP "Flow Soma", Silence Records 1982, SRS 4672

A1, Where there is joy and happiness

Place me there, oh Pavamana

Where there is delight and friendliness

Place me there, oh Pavamana

In that world where distress does not exist

In that world where bliss is all there is, is all there is

Oh, place me there

A2, Where the sun never sets

Place me there, oh Pavamana

In that light that knows itself

Place me there, oh Pavamana

As the rays of the days of the sun are let loose

So the streams are let loose, from the mighty king

The ever-shining Soma juice

B: Take me as I am

Don't let me wait too long

I place my life in your hands

So please accept my song

A3, Where there is joy and happiness

Where there is delight and friendliness

Oh, place me there
